

## Press Release

Redditch, 19<sup>th</sup> November 2007

### Nihonboshitsu – Lake Partnership

NIHONBOSHITSU CO., LTD. with headquarters in Osaka, Japan, a manufacturer of aluminium powder and pigments designed by employing special atomising technologies has appointed Lake Chemicals and Minerals Ltd. as their sole partner for distribution in the UK and Ireland. Lake Chemicals & Minerals Ltd. is a Technical Distribution Specialist marketing pigments, pigment extenders and technical additives to the coatings, inks and polymer markets

Lake is now offering the **Astroflake** aluminium flake range and **Astroshine** aluminium pastes with particular emphasis on the newly launched **Astroshine T** non leafing aluminium paste series which exhibit a unique morphology for automotive coatings, plastic coatings and printing inks.

*Lake Chemicals and Minerals Ltd. is a Technical Distribution Specialist with head office in Redditch, UK, responsible for the sales and marketing of speciality chemicals, minerals and technical products to customers in the UK and Ireland.*

*For more information on technical distribution contact Ross Barnes at Lake Chemicals and Minerals Ltd. by telephone +44 (0)1527 830458, facsimile +44 (0)1527 830460 or email [ross.barnes@lakecm.co.uk](mailto:ross.barnes@lakecm.co.uk)*
