

PRESS RELEASE
REDDITCH, FEBRUARY 23rd, 2004

Lake Chemicals and Minerals Ltd., Technical Distribution Specialist for ingredients sold into the Personal Care and Pharmaceutical sectors, has been appointed by CLR (Chemisches Laboratorium Dr Kurt Richter GmbH) to sell and distribute the CLR range of bio-active cosmetic ingredients in the United Kingdom. This appointment is with immediate effect.

The CLR range of innovative cosmetic actives is supported by a significant investment in scientific research and application development to provide customers with the high level of technical support that is key to the creation of niche consumer products in a demanding market place.

Further technical and commercial information can be obtained from John Lofthouse on +44 (0)1268 711657 or by e-mail john.lofthouse@lakecm.co.uk. For sales orders please call +44 (0) 1527 830458.
