

## Press Release

14<sup>th</sup> April 2008

### Novant - Lake Partnership

Novant Chemicals ([www.novantchemicals.com](http://www.novantchemicals.com)), a leading global supplier of colour pigments, has appointed Lake Chemicals and Minerals Ltd sales and marketing partner for the UK and Ireland with immediate effect.

The ***Micronix Ionix Trionix*** iron oxides, ***Sirius*** pearlescents and ***Organex*** organic pigment ranges offer colour users specific pigment grades to enhance each application in paints, inks, plastics, construction and cosmetics.

Lake's detailed technical knowledge of customer formulation chemistry across many industrial applications enables Novant to offer customers a superior bespoke service.

*Lake Chemicals and Minerals Ltd. is a Technical Distribution Specialist with head office in Redditch, UK, responsible for the sales and marketing of speciality chemicals, minerals and technical products to customers in the UK and Ireland.*

*For more information on technical distribution contact Ross Barnes at Lake Chemicals and Minerals Ltd. by telephone +44 (0)1527 830458, facsimile +44 (0)1527 830460 or email [ross.barnes@lakecm.co.uk](mailto:ross.barnes@lakecm.co.uk)*
